Love isn't everything, I know; but even the most powerful she-wolf submits to her mate. If you can't be dominated, you can't be mated. And an unmated wolf has no place in the pack. My one hope is the clan gathering in the Blackwood Fortress. Every wolf in the continent attends, and a few seriously sexy wolves catch my eye. I'm bound to find at least one who can match me, right? Then there's my other problem: My alpha is a grade-A jerk. After treating me like a genetic freak my whole life, he suddenly decides to stake a claim. But I can't refuse the challenge, and my wolf won't back down. Either I submit to the alpha and become mated to his skeezy pelt, or I win the challenge and my freedom... by taking his place as alpha. The heavens have been silent since—until a derelict space probe hears whispers from a distant comet. Something talks out there: but not to us. Who should we send to meet the alien, when the alien doesn't want to meet? Send a linguist with multiple-personality disorder and a biologist so spliced with machinery that he can't feel his own flesh. Send a pacifist warrior and a vampire recalled from the grave by the voodoo of paleogenetics. Send a man with half his mind gone since childhood. Send them to the edge of the solar system, praying you

Friday Night Bites Chloe Neill 2010-04-08 VAMPIRES IN CHICAGO! You'd think a headline like that would have made the fine citizens of the Windy City to take up arms against us bloodsucking fiends. Instead, ten months later, we're enjoying celebrity statue and fending off the paparazzi, who are only slightly less dangerous than angry stake-wielding slayers. Don't get me wrong - Joe Public isn't exactly thrilled to be living side by side with the undead, but at least they haven't stormed the castle ... not yet ... But it could be a matter

of time. There's a first-time reporter sniffing around vampire society, and if he uncovers the Raves - mass feeding parties, where vampires round humans up like cattle and drink themselves silly. The fact that it's majorly frowned upon by vamp society won't make a difference to that kind of a headline, or a new reporter who's out to impress his family. So now my 'master' - the centuries-old yet gorgeously well-preserved Ethan Sullivan - wants me to reconnect with my own upper-class family and act as liaison between humans and vampire ... and use the opportunity to keep the less savoury aspects of vamp existence out of the media spotlight. Tough job, when it seems someone doesn't want vamps and humans to play nicely - someone with a serious, ancient grudge ...

Chloe Fallon is a conduit - and a target of the vampire assassin who's killing them. New Moon Stephenie Meyer 2009-02-26 I stuck my finger under the edge of the paper and jerked it under the tape. 'Shoot,' I muttered when the paper sliced my finger. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is more dangerous than Bella ever could have imagined. The Kiss of Death Auryn Hadley 2018-02-08 I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero? Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems. Death is back. He wants another kiss. And he's not alone. The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

Stripped Jasinda Wilder 2013-08-14 So how did I get myself into this situation, you ask? Simple: desperation. When you're faced with being homeless and hungry or taking off your clothes for money, the choice is easier than you'd imagine. That doesn't make it easy, though. Oh no. I hate it, in fact. There's nothing I'd like more than to quit and never go into another bar again, never hear the techno beat pulsing in my ears again, never feel the lecherous gazes of horny men again. Then, one day, I meet a man. He's in my club, front and center. He watches me do my routine, and his gaze is full of hunger. Not the kind of desire I'm used to though. It's something different. Something hotter, deeper, and more possessive. I know who he is; of course I do. Everyone knows who Dawson Kellor is. He's People Magazine's Sexiest Man alive. He's the hottest actor in Hollywood. He's the man hand-picked for the role of Rhett Butler in the long-awaited remake of *Gone With the Wind*. He's the kind of man who can have any woman in the entire world with a mere crook of his finger. So what's he doing looking at me like he has to have me? And how do I resist him when he looks at me with those intoxicating, changeable, quicksilver eyes? I'm a virgin, and he's an American icon of male sexuality. I'm a stripper, and he's a man used to getting anything and everything he wants. And he wants me. I know I should say no, I know he's the worst kind of player...but what my mind knows, my body and my heart may not. And then things get complicated.

Corrupt Penelope Douglas 2015-11-13 Erika. I was told that dreams were our heart's desires. My nightmares, however, became my obsession. My boyfriend's older brother is like that scary movie that you peek through your hand to watch. He's handsome, strong, and completely terrifying. The star of his college's basketball team and now gone pro, he's more concerned with the dirt on his shoe than on me. I saw him. I heard him. The things that he did, and the deeds that he hid. For years, I bit my nails, unable to look away. Now, I've graduated high school and moved on to college, but I haven't stopped watching Michael. He's back, and the dirt I've seen isn't content to stay in my head anymore...Michael. Her name is Erika Fane, but everyone calls her Rika. My brother's girlfriend grew up hanging around my house and is always at our dinner table. She looks down when I enter a room and stills when I am close. I can always feel the fear rolling off of her, and while I haven't had her body, I know that I have her mind. That's all I really want anyway. Until my brother leaves for the military, and I find Rika alone at college. In my city. The opportunity is too good to be true as well as the timing. Because you see, three years ago she put a few of my high school friends in prison, and now they're out.
