*Sketching Stuff* Charlie O'Shields 2018-11-22 Charlie O'Shields is the creator of Doodlewash®, founder of World Watercolor Month in July, and host of the Sketching Stuff podcast. Every single day, for over three years, he created a watercolor illustration and wrote a short essay about whatever came to mind that day and posted it on his blog. These are some of the collected favorites along with some brand new musings. With over 180 illustrations, this book is part personal memoir and sometimes just a randomly fun romp through the sillier bits of this crazy world we all inhabit. Written to take on the impossible task of inspiring creativity, unleashing your inner child, and instilling hope, it will, at the very least, make you smile and touch your heart.

Sketchbook Explorations Shelley Rhodes 2018-09-06 A practical and inspirational guide to help embroiderers and textile artists make the most of sketchbooks to inform their creative work. The artist's sketchbook offers an exciting platform to explore a host of mixed media techniques. Using a combination of paper, textiles, found objects, pencil, ink and paint, Shelley Rhodes shows how a sketchbook can act as an illustrated diary, a visual catalogue of a journey or experience or as a starting point for more developed work. Whether out on location or in the studio, Rhodes explores every stage of the creative process, from initial inspiration to overcoming the fear of a blank page, manipulating paper and images and incorporating 'found' objects to build a sketchbook that is both beautiful and inspiring. Sketchbook Explorations is the ideal companion for everyone from the beginner to the more experienced artist looking for exciting techniques to expand their repertoire in mixed media. The book explores: Why work in sketchbooks? The importance and joy of working in a sketchbook. Ways of recording and investigating ideas that inspire. Techniques in mixed media from found objects and layers to three-dimensional sketching. Creating on location. Using electronic devices to develop ideas.
