Between Empowerment and Manipulation Marijn Sax 2021-09-28 Popular health apps are commercial services. Despite the promise of empowerment they offer, the tensions introduced by their data-driven, dynamically adjustable digital environments engender a potential for manipulation to which their designers and operators can easily succumb. In this important book, the author develops an ethical framework to evaluate the commercial practices of for-profit health apps, proceeding to a detailed proposal of how to legally address the exploitation, for financial gain, of users' need for health. Focusing on the intricate tracking of users over time, coupled with the possibility to personalize the environment based on knowledge gained from tracking, the book's in-depth analysis of popular for-profit health apps engages with such particulars as the following: the strategic framing of health in health apps; the cultural tendency to presume we are unhealthy until we have proven we are healthy; the key concepts of autonomy, vulnerability, trust, and manipulation; how health apps develop ongoing profitable relationships with users; and use of misleading and aggressive commercial practices. The author argues that the European Union's Unfair Commercial Practices Directive, when informed by ethical considerations, offers promising legal solutions to the manipulation concerns raised by popular for-profit health apps. The book will be welcomed not only for its incisive scrutiny of the health app phenomenon but also for the light it sheds on the wider problems inherent in the digital society—what digital environments know about their users, how they use that knowledge, and for which purpose. Its progress from an ethical approach to legal solutions will recommend the book to lawyers concerned with business practices, human resources professionals, policymakers, and academics interested in the intersection of ethics and law.

The Healing Guide to Flower Essences Alena Hennessy 2020-06-16 The Healing Guide to Flower Essences shows you how to connect with the magic and frequency of 100 flower essences. The power of Nature to heal has been accepted for many millennia. Flowers inspire us with their beauty, beguile us with their fragrance, and can have medicinal properties in their oils and plant matter. However, the healing properties of flowers go even deeper. Each flower holds a unique energetic fingerprint or essence that can be used for healing, wellness, and self-discovery. Organized by categories such as transformation, inspiration, boundaries, and self-esteem, you will be able to easily find the right remedy for your wellness and self-discovery. For example, you can use Larch for overcoming doubt and insecurity, Gentian for perseverance and optimism after a setback or Cherry Plum for surrender and trust in one's soul path. You'll also learn about the history of flower essences and the original 38 Bach flower remedies. Learn how to connect more deeply with the properties and messages of the flowers by making your own flower essence remedies. Written by noted artist, Alena Hennessy, The Healing Guide to Flower Essences is also lovingly illustrated with original botanical art and illustration.

Reiki Sourcebook (Revised Ed.) Stiene 2010-05-11 The most comprehensive book on the system of Reiki ever published, this book will become an invaluable asset for Reiki novices, students and teachers alike. Bringing together every important piece of information that has been taught, discussed or written about Reiki since its development in the early 1900s, it includes information from sources such as living students of the Reiki teachers, Mikao Usui, Chujiro Hayashi and Hawayo Takata.

The Origin of the Family, Private Property and the State Friedrich Engels 2021-08-17 The most influential theory of the origins of women's oppression in the modern era, in a beautiful new edition In this provocative and now-classic work, Frederick Engels explores the interrelated development of the family and the state from ancient society to the Victorian era. Drawing on new anthropological theories of his time, Engels argued that matriarchal communal societies had been overthrown by class society and its emphasis on private, not communal, property and monogamous, rather than polygamous, sexual organization. This historical development, Engels argued, constituted "the world-historic defeat of the female sex." A masterclass in the application of materialist thought to history and anthropology, and touching on love, monogamy, property, and the development of the human, this landmark work is still foundational in Marxist and socialist feminist theory.

Reiki Insights Frans Stiene 2018-06-29 A meditative journey into the inner depths of the system of Reiki. Reiki Insights is presented as a series of short chapters, each of them a teaching, so that you can pick it up, choose a chapter and read it. The Reiki Manual Penelope Quest 2012-02-02 Reiki is a holistic system for balancing, healing and harmonising all aspects of the person - body, mind, emotions and spirit - encouraging deep relaxation and the release of stress and tension, and promoting awareness and spiritual growth. This comprehensive manual provides much-needed support for students and teachers who want to ensure best practice. It can also be used by people who have taken Reiki courses and want more information, or wish to update their skills and work professionally, or simply treat themselves, family and friends informally. The first three sections cover levels Reiki 1, Reiki 2 and Reiki 3. Information is given in an accessible, structured and interactive way to increase understanding, knowledge and experience. The final section of the manual contains reference material specifically for students who wish to become professional practitioners, and for Masters who wish to expand the scope of the training they can offer to their students. This final section also provides the foundation for additional courses or workshops on topics such as health and safety and managing a successful practice.

The Healer's Manual Ted Andrews 2012-12-08 Noted healer and author Ted Andrews reveals how unbalanced or blocked emotions, attitudes, and thoughts deplete our natural physical energies and make us more susceptible to illness. The Healer's Manual shows specific techniques—involving color, sound, fragrance, herbs, and gemstones—to restore the natural flow of energy. Use the simple practices in this book to activate healing, alleviate aches and pains, and become the healthy person you're meant to be.

Healing with Flower and Gemstone Essences Diane Stein 2013-01-16 Flower essences are actually quite simple to make, and the author describes in detail how to "make your own" and thereby opens up the use of a variety of flowers not generally available on the commercial market. She also details over 200 of her unique flower and gemstone essence combination formulas.

Practical Reiki TM Alice Langholt 2011 If you've never heard of Reiki, this book will explain it in plain, clear language. Reading the book will help you understand what Reiki is, how it works, how it helps, and how it can be learned. This book presents a down-to-earth, "woo-woo-free" approach that's easy to understand whether you've had any experience with intuition or none at all. Anyone who wants to learn to connect with the innate, natural power for healing is capable of doing so. If you already practice Reiki, this book will show you the true essence of working with energy, beneath the ritual, symbols, and mystery surrounding the practice. It will widen your knowledge and strengthen your connection. Practical Reiki TM is a new, revolutionary Reiki modality for everyone who wishes to quickly and easily learn to practice Reiki energy healing for themselves and others. It is simple, strong, and will change your life. The entire method through Master level can be learned in just three weeks. This book is the manual for the Practical Reiki TM method. In order to become a practitioner or teacher of Practical Reiki, one needs to receive attunements and training from a Practical Reiki Master, a person empowered to pass on this ability. It can be learned in person or via distance. Find a teacher at ReikiAwakeningAcademy.com. Reading this book will not provide the necessary attunements to be a Practical Reiki TM practitioner or Master teacher. It will teach you about Reiki in a no-nonsense way and inform you about a great Reiki method to learn. Practical Reiki is the second place winner for Best Reiki Book in the 2012 About.com Reader's Choice Award. Practical Reiki for Nurses, a course available online at ReikiAwakeningAcademy.com, has been approved to offer 8 CEs for nurses and LMTs, and the CEs are accepted in most US states. This book is the manual for the course. It is suggested that you also purchase the new workbook: The Practical Reiki Companion. Both books together are available at a discount from ReikiAwakening.com.

Global Nomads Anthony D'Andrea 2007-01-24 Global Nomads provides a unique introduction to the globalization of countercultures, a topic largely unknown in and outside academia. Anthony D'Andrea examines the social life of mobile expatriates who live within a global circuit of countercultural practice in paradoxical paradises. Based on nomadic fieldwork across Spain and India, the study analyzes how and why these post-metropolitan subjects reject the homeland in order to shape an alternative lifestyle. They become artists, therapists, exotic traders and bohemian workers seeking to integrate labor, mobility and spirituality within a cosmopolitan culture of expressive individualism. These countercultural formations, however, unfold under neo-liberal regimes that appropriate utopian spaces, practices and imaginaries as commodities for tourism, entertainment and media consumption. In order to understand the paradoxical globalization of countercultures, Global Nomads develops a dialogue between global and critical studies by introducing the concept of 'neo-nomadism' which seeks to overcome some of the shortcomings in studies of globalization. This book is an essential aide for undergraduate, postgraduate and research students of Sociology, Anthropology of Globalization, Cultural Studies and Tourism Studies.

Character Strengths and Virtues Christopher Peterson 2004-04-08 "Character" has become a front-and-center topic in contemporary discourse, but this term does not have a fixed meaning. Character may be simply defined by what someone does not do, but a more active and thorough definition is necessary, one that addresses certain vital questions. Is character a singular characteristic of an individual, or is it composed of different aspects? Does character--however we define it--exist in degrees, or is it simply something one happens to have? How can character be developed? Can it be learned? Relatedly, can it be taught, and who might be the most effective teacher? What roles are played by family, schools, the media, religion, and the larger culture? This groundbreaking handbook of character strengths and virtues is the first progress report from a prestigious group of researchers who have undertaken the systematic classification and measurement of widely valued positive traits. They approach good character in terms of separate strengths--authenticity, persistence, kindness, gratitude, hope, humor, and so on--each of which exists in degrees. Character Strengths and Virtues classifies twenty-four specific strengths under six broad virtues that consistently emerge across history and culture: wisdom, courage, humanity, justice, temperance, and transcendence. Each strength is thoroughly examined in its own chapter, with special attention to its meaning, explanation, measurement, causes, correlates, consequences, and development across the life span, as well as to strategies for its deliberate cultivation. This book demands the attention of anyone interested in psychology and what it can teach about the good life.

Reiki Pamela Miles 2008-06-19 An illuminating guide to one of the fastest-growing spiritual healing practices in the world and an essential tool for anyone ready to bring healing into his or her life. Perhaps the gentlest healing therapy in the world, Reiki originated in early twentieth-century Japan. In this indispensable guide to Reiki, one of the foremost experts traces the origin and development of the practice, detailing how and why it restores and renews the human body in ways we've only begun to understand. A pioneer in bringing Reiki into mainstream medical practice, Miles draws on her unique background to explain how this therapeutic technique, which involves a gentle laying on of the hands, complements conventional medical treatments and can hasten recovery from invasive surgical procedures, as well as ease the symptoms of cancer, insomnia, depression, anxiety, and other conditions. With compassion, wisdom, and the accumulated experience that comes from nearly twenty years as a Reiki practitioner, Pamela Miles empowers readers by showing how simple it is to take.

Eloquent Zen Kenneth Kraft 1997-01-01 Zen master Daito (1282-1337) played a leading role in the transmission of Zen (Ch'an) from China to Japan. He founded Daitokuji, a major monastery that has been influential for centuries, and he provided interpretations of Chinese texts. Daito's traditional biography is full of vivid episodes, including his years among the beggars of Kyoto and ending with his dramatic death in the meditation posture. Despite his importance, however, Daito has remained virtually unknown in the West. With the publication of *Eloquent Zen* Kenneth Kraft offers the first comprehensive account of the life and teachings of one of the greatest of Japan's Zen masters. Dr. Kraft begins with the foundations of medieval Japanese Zen. He shows that Daito's predecessors were concerned with clarifying the essentials of Zen as it began to take root in Japan. During this formative phase, the Zen pioneers embraced varied conceptions of enlightenment and divergent notions of authenticity. Kraft places Daito's contributions within this context, offering new insights about early Japanese Zen and about Zen itself. Throughout this study, Kraft looks closely at the complex role of language in Zen--a tradition supposedly distrustful of words. Daito wrote haiku-like poetry, participated in brilliant dialogues, and delivered powerful sermons. His virtuosity in articulating the way of Zen, "beyond words, beyond silence," is nowhere more apparent than in his use of the capping phrase, an interpretive and commentarial device unique to Zen. Analyzing Daito's use of this device, Kraft elucidates the significance of the literary and aesthetic dimensions of the Zen tradition. *Eloquent Zen* includes valuable translations of Daito's poetry and other writings. Illustrations include three classic portraits of Daito and rare examples of his calligraphy. This lucid and engaging study will interest scholars and nonspecialists interested in Zen, Japanese culture, and Asian philosophy, poetry, and related fields.

Japanese Art Of Reiki Stiene 2010-05-11 Reiki techniques originated in Japan, in an intensely spiritual period of that country's history. This fully-illustrated book traces the system's evolution from a spiritual self-development system to a direct hands-on practice. The journey moves from Japan to the USA, out to the world, and back to Japan. Focussing on the basic elements in their historical context, this guide contains beautifully grounded information that captures a unique sense of the system's traditional Japanese roots. The clarity and accessibility of the teachings in the book redefine and strengthen the concept of Reiki as it is practised today.

Wabi Sabi Beth Kempton 2018-08-30 'A truly transformative read' Sunday Times STYLE 'More than ever, we need books like this' Jessica Seaton, Co-Founder of Toast and author of *Gather, Cook, Feast* A whole new way of looking at the world - and your life - inspired by centuries-old Japanese wisdom. Wabi sabi ("wabi-sah-bi") is a captivating concept from Japanese aesthetics, which helps us to see beauty in imperfection, appreciate simplicity and accept the transient nature of all things. With roots in zen and the way of tea, the timeless wisdom of wabi sabi is more relevant than ever for modern life, as we search for new ways to approach life's challenges and seek meaning beyond materialism. Wabi sabi is a refreshing antidote to our fast-paced, consumption-driven world, which will encourage you to slow down, reconnect with nature, and be gentler on yourself. It will help you simplify everything, and concentrate on what really matters. From honouring the rhythm of the seasons to creating a welcoming home, from reframing failure to ageing with grace, wabi sabi will teach you to find more joy and inspiration throughout your perfectly imperfect life. This book is the definitive guide to applying the principles of wabi sabi to transform every area of your life, and finding happiness right where you are.

28 Days to a New You Shelly Wilson 2013-03-28 *28 Days to a New You* is a spiritual self-discovery book pertaining to all aspects of mind, body and Spirit. There is a belief that it takes 21 days to change a habit. This is an average assessment as some individuals may take longer to modify what they wish to change; whereas some people can do so very quickly. Learning to love myself for who I am and embracing all of my experiences has been the catalyst for transformation in my own life. Embarking on a spiritual journey has offered me the fortitude necessary to believe that anything is possible and to achieve it as well. As an Intuitive Medium, Reiki Master and Spiritual Teacher, my personal mission is to assist others on their own journey into consciousness while encouraging them to live an authentic life through awareness and empowerment. Coming from a place of respect, truth, integrity and love, I honor your free will and recognize that you are co-creating your reality with the Universe. My intention is to bring understanding, help you to heal from the past and realize your full potential. I invite you to begin your life in a new way and tap into your inner power as you explore who you really are. Refrain from simply existing and elect to live your life fully without regret. It is time to let go of the past, live in the present and look to the future for it is this attitude that will transform you.

The Healing Power from God Dan Swan 2014-06-24 In this stimulating how-to book, a scientist Dr. Dan Swan (D.Engr.) provides an answer to one of life's most important questions, "How in the world does one find miracles?" When a miracle occurred in his life in 1994 at a time when he desperately needed it. This miracle caused a series of revelations that ultimately led him down a spiritual path, completely changing his busy life, his scientific mindset and the way he viewed this chaotic world. Taking the reader on a fascinating tour of his real-life experience, Dr. Swan explains how he began his spiritual journey by learning hands-on energy healing in order to help save his father who had suffered a major stroke. Through his real-life experience as an energy healer, using the healing power from God, he found that miracles happened to patients who were ordinary people like you and him. He witnessed that miracles do happen many times to people who are in desperate need. From his experience, he shows in this book that anyone can become an energy healer and be able to heal loved ones and family members. People of all religious faiths as well as non-believers can transform their physical bodies to Light bodies using the healing power from God. In fact, all major religions including Christianity, Hinduism, and Buddhism, encourage people to make the higher transformation to a union with God or Universal Consciousness. And, he shows the reader step-by-step of how to do it. Using Dr. Swan's method, the spiritual journey can be completed in a short period of time. He successfully merges new scientific findings with ancient wisdom, resulting in an easy-to-understand guide for someone at any spiritual level. Readers will learn from leading quantum physicists and medical doctors, as well as spiritual teachers from around the world. Dr. Swan's instructions set the stage for a spiritual voyage of self-discovery. His book is a timely guide for the year 2012 and beyond, preparing all of us for the age of the New Earth in the near future.

The Beauty of the Primitive Andrei A. Znamenski 2007-07-12 The Beauty of the Primitive explores how shamanism, an obscure word introduced by the eighteenth-century German explorers of Siberia, entered Western humanities and social sciences, and has now become a powerful idiom used by nature and pagan communities to situate their spiritual quests and anti-modernity sentiments. With its interdisciplinary approach and engaging style, it promises to be the definitive account of this neglected strand of intellectual history.
