Children's Film in the Digital Age
in Beeler 2014-12-31 Films of the past 15 years have been released in a number of formats and reflect a reconceptualization of film genres, audiences and the impact of technology on adaptation. Focusing on multiple audiences, film adaptation, nationalism, globalism and consumer culture, this collection of new essays explores how children's film is examined alongside recent developments in their production. These analyses consider the effect of multimedia strategies on the child audience, and the opportunities for participation and implications. The essays also address how childhood is embedded within films and linked to various consumer contexts.

Pokemon Tales: Pikachu's Day
in Aoki 2006-09-19 Follows Pikachu, the yellow Pokémon character, through the activities of a busy day. On board pages. Global Manga
in Brienza 2016-03-09 Outside Japan, the term 'manga' usually refers to comics originally published in Japan. Yet nowadays many publications labelled 'manga' are not translations of Japanese works but rather have been wholly conceived and created elsewhere. These comics, although often derided and dismissed as 'fake manga', represent an important but understudied cultural phenomenon which, controversially, may even point to a future of 'Japanese' comics without Japan. This book takes seriously the political economy and cultural production of this 'global manga' produced throughout the Americas, Europe, and Asia and explores the conditions under which it arises and flourishes; what counts as 'manga' and who gets to decide; the implications of global manga for contemporary economies of cultural and creative labour; the ways in which it is shaped by or mixes with local cultural forms and contexts; and, ultimately, what it means to be 'authentically' Japanese in the first place. Presenting new empirical research on the production of global manga culture from scholars across the humanities and social sciences, as well as pieces and historical overviews written by global manga artists and industry insiders, Global Manga will appeal to scholars of cultural and media studies, Japanese studies, and popular and contemporary culture. [Pokémon Primers: 123 Books](#) Simcha Whitehill 2021-03-09 A Pokémon Counting Adventure! Dozens of Pokémon can be found in the Pokémon Primers: 123 Book. [Pikachu's Rescue Adventure](#) Tracey West 2000 A junior adaptation of the new cartoon short, Pikachu's Rescue Adventure introduces four new Pokémon: Lebyba, Bellossom, Hoot Hoot, and Eevee. The Animated Movie Guide by Beck 2005-10-28 Going beyond the box-office hits of Disney and Dreamworks, this guide to every animated movie ever released in the United States covers 300 films over the course of nearly 80 years of film history. Well-known films such as Finding Nemo and Shrek are profiled and hundreds of other films, many of them rarely discussed, are compared, and catalogued. The origin of the genre and what it takes to make a great animated feature are discussed, and the influence of Japanese animation, computer graphics, and special effects techniques are brought into perspective. Every film analysis includes reviews, four-star ratings, background information, plot synopses, accurate running times, consumer tips, and MPAA ratings. Guides to made-for-TV movies, direct-to-video releases, foreign films that were never theatrically released in the U.S., and live-action films with significant animation round out the volume. [Billboard 1999-08-14](#) In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

[Let It Snow](#) 2005 High on a snowy mountain peak, Ash and the gang are searching for a rare Ice Pokémon. But when everyone gets caught in a blizzard, who can save them?

[Pikachu's Global Adventure](#) Joseph Tobin 2004-01-15 Initially developed in Japan by Nintendo as a computer game, Pokémon swept the globe in the late 1990s. Based on a narrative in which children capture, train, and do battle with over a hundred imaginary creatures, Pokémon quickly diversified into an array of popular products including comic books, a TV show, movies, trading cards, stickers, toys, and clothing. Pokémon eventually became the top grossing children's product of all time. Yet the phenomenon fizzled as quickly as it had ignited. By 2002, the Pokémon craze was over. [Pikachu's Global Adventure](#) describes the spectacular, complex, and unpredictable rise and fall of Pokémon in countries around the world. In analyzing the popularity of Pokémon, this volume addresses core debates about the globalization of popular culture and about children's consumption of mass-produced culture. Topics explored include the origins of Pokémon in Japan; the valorization of cuteness and traditions of insect collecting and anime; the efforts of Japanese producers and American marketers to localize it for foreign markets by muting its sex, violence, and ambiguity, and general feeling of Japaneseness; debates about children's vulnerability versus agency as consumers; and the contentious question of Pokémon's educational value and place in schools. The contributors include teachers as well as scholars from the fields of anthropology, media studies, sociology, and education. Tracking the reception of Pokémon in Japan, the United States, Britain, France, and Israel, they emphasize its significance as the first Japanese cultural product to enjoy substantial worldwide success and challenge western dominance in the global production and circulation of cultural goods. Contributors: Anne Allison, Linda-Renée Bloch, Helen Bromley, Gilles Brougere, David Buckingham, Koichi Iwabuchi, Hirofumi Katsuno, Dafna Lemish, Jeffrey Martin, Julian Sefton-Green, Joseph Tobin, Samuel Tobin, Rebekah Willet, Christine Yano

[Night in the Haunted Town](#) Tracey West 1999-01 In order to defeat the Psychic Pokémon of Gym leader Sabrina and earn a Marsh badge, Ash and Pikachu must find and tame the Ghost Pokémon Tower.

Watching Anime, Reading Manga Fred Patten 2004 Anime's influence can be found in every corner of American media, from film and television to games and graphic arts. And Fred Patten is largely responsible. He was reading manga and watching anime before most of the current generation of fans was born. In fact, it was his active participation in fan clubs and his prolific magazine helped create a market and build American anime fandom into the vibrant community it is today. Watching Anime, Reading Manga gathers together a quarter-century of Patten's lucid observations on the business of anime, fandom, artists, Japanese society and the most influential titles. Illustrated with original fanzine covers and archival photos. Foreword by Carl Macek (Robotech). Fred Patten, Los Angeles. "Watching Anime, Reading Manga is a worthwhile addition to your library; it makes good bathroom browsing, cover-to-cover reading, and a worthwhile reference for writing about anime and manga, not to mention a window into the history of fandom in the United States." -- SF Site
