Cruel Beauty Rosamund Hodge 2014-01-28 If you're excited about the upcoming Disney film Beauty and the Beast, starring Emma Watson, don't miss Cruel Beauty. The romance of Beauty and the Beast meets the adventure of Graceling in this dazzling fantasy novel about our deepest desires and their power to change our destiny. Perfect for fans of bestselling An Ember in the Ashes and A Court of Thorns and Roses, this gorgeously written debut infuses the classic fairy tale with glittering magic, a feisty heroine, and a romance sure to take your breath away. Betrothed to the evil ruler of her kingdom, Nyx has always known that her fate was to marry him, kill him, and free her people from his tyranny. But on her seventeenth birthday when she moves into his castle high on the kingdom's mountaintop, nothing is what she expected—particularly her charming and beguiling new husband. Nyx knows she must save her homeland at all costs, yet she can't resist the pull of her sworn enemy—who's gotten in her way by stealing her heart.

Stranger Sherwood Smith 2014-11-13 Many generations ago, a mysterious cataclysm struck the world. Governments collapsed and people scattered, to rebuild where they could. A mutation, "the Change," arose, granting some people unique powers. Though the area once called Los Angeles retains its cultural diversity, its technological marvels have faded into legend. "Las Anclas" now resembles a Wild West frontier town—where the Sheriff possesses superhuman strength, the doctor can warp time to heal his patients, and the distant ruins of an ancient city bristle with deadly crystalline trees that take their jewel-like colors from the clothes of the people they killed. Teenage prospector Ross Juarez's best find ever— an ancient book he doesn't know how to read— nearly costs him his life when a bounty hunter is set on him to kill him and steal the book. Ross barely makes it to Las Anclas, bringing with him a precious artifact, a power no one has ever had before, and a whole lot of trouble.

Prince of Thorns Mark Lawrence 2011-08-02 BOOK ONE IN THE BROKEN EMPIRE TRILOGY—Prince of Thorns deserves attention as the work of an iconoclast who seems determined to turn that familiar thing, Medieval Fantasy Trilogy, entirely on its head. Locus When he was nine, he watched as his mother and brother were killed before him. By the time he was thirteen, he was the leader of a band of bloodthirsty thugs. By fifteen, he intends to be king... It's time for Prince Honourous Jorg Ancrath to return to the castle he turned his back on, to take what's rightfully his. Since the day he hung pinned on the thorns of a briar patch and watched Count Renar's men slaughter his mother and young brother, Jorg has been driven to vent his rage. Life and death are no more than a game to him—and he has nothing left to lose. But treachery awaits him in his father's castle. Treachery and dark magic. No matter how fierce his will, can one young man conquer enemies with power beyond his imagining?

Breaking Dawn Stephenie Meyer 2008-08-02 In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her

imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

*Out of My Mind* Sharon M. Draper 2012-05 Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

We Yevgeny Zamyatin 2013-01-15 Yevgeny Zamyatin's *We* is set in an urban glass city called OneState, regulated by spies and secret police. Citizens of the tyrannical OneState wear identical clothing and are distinguished only by the number assigned to them at birth. The story follows a man called D-503, who dangerously begins to veer from the 'norms' of society after meeting I-330, a woman who defies the rules. D-503 soon finds himself caught up in a secret plan to destroy OneState and liberate the city. The failed utopia of *We* has been compared to the works of H.G. Wells, George Orwell, and Aldous Huxley. It was the first novel banned by the Soviets in 1921, and was finally published in its home country over a half-century later. *We* is a part of Momentum's Classic Science Fiction series. "The best single work of science fiction yet written." □ Ursula K. Le Guin

*Beast* Brie Spangler 2016 After falling off the roof, fifteen-year-old misfit Dylan must attend a therapy group for self-harmers where he meets Jamie, a beautiful and amazing person he doesn't know is transgender.

*Screw the Roses, Send Me the Thorns* Philip Miller 1995 Light-hearted and fun to read, *SCREW THE ROSES, SEND IN THE THORNS* tells readers everything they need (and want!) to know about sadomasochism. Deeply committed to the blend of trust, fantasy and sensuality that makes S/M an intensely erotic and deeply intimate experience, Miller and Devon here offer everyone - from the complete novice to the well-practised sub or dom - clear explanations, solid advice, safety measures and steamy suggestions. Illustrated with over 225 photos and illustrations, the book also includes a glossary and 30-page resources listing.

*The Dominance Playbook* Anton Fulmen 2019-04 In *The Dominance Playbook*, kink educator and lifelong power exchange fanatic Anton Fulmen builds on the fundamentals he established in *The Heart of Dominance* to explore beyond the basics of dominance and submission in both scenes and relationships. The *Playbook* includes inspiration and practical advice for a wide range of power exchange practices: administering effective punishments, providing useful service, navigating the delicate territory of sexual objectification, and other fulfilling but sometimes tricky areas of kink. You'll find invaluable guidance for creating an intense evening of power exchange play, and also for weaving power exchange into the fabric of a long term relationship - in ways that are exciting, fulfilling and sustainable for everyone.

*An Enchantment of Ravens* Margaret Rogerson 2017-09-26 An instant New York Times bestseller! An Indie Next Top 10 Pick A Parents' Choice Silver Honor Winner □ A funny, action-packed, and sweet romance. □ School Library Journal (starred review) □ A phenomenal read. □ RT Book Reviews A skilled painter must stand up to the ancient power of the faerie courts even as she falls in love with a faerie prince in this gorgeous bestseller that's □ an ideal pick for fans of Holly Black, Maggie Stiefvater, and Laini Taylor □ (Publishers Weekly, starred review). Isobel is an artistic prodigy with a dangerous set of clients: the sinister fair folk, immortal creatures who cannot bake bread or put a pen to paper without crumbling to dust. They crave human Craft with a terrible thirst, and Isobel's paintings are highly prized. But when she receives her first royal patron Rook, the autumn prince she makes a terrible mistake. She paints mortal sorrow in his eyes a weakness that could cost him his life. Furious, Rook spirits her away to his kingdom to stand trial for her crime. But something is seriously wrong in his world, and they are attacked from every side. With Isobel and Rook depending on each other for survival, their alliance blossoms into trust, then love and that love violates the fair folks' ruthless laws. Now both of their lives are forfeit, unless Isobel can use her skill as an artist to fight the fairy courts. Because secretly, her Craft represents a threat the fair folk have never faced in all the millennia of their unchanging lives: for the first time, her portraits have the power to make them feel.

The Waves Virginia Woolf 2012-04-05 WITH INTRODUCTIONS BY JEANETTE WINTERSON AND GILLIAN BEER The Waves is an astonishingly beautiful and poetic novel. It begins with six children playing in a garden by the sea and follows their lives as they grow up and experience friendship, love and grief at the death of their beloved friend Percival. Regarded by many as her greatest work, The Waves is also seen as Virginia Woolf's response to the loss of her brother Thoby, who died when he was twenty-six. The Vintage Classics Virginia Woolf series has been curated by Jeanette Winterson, and the texts used are based on the original Hogarth Press editions published by Leonard and Virginia Woolf.

Sexual Sorcery Jason Augustus Newcomb 2005-08-15 In plain, straightforward language, Jason Newcomb, author of 21st Century Mage and The New Hermetics, tackles a subject that many magical texts gloss over or ignore--the practice of sex magick. Sexual Sorcery covers the many aspects of using sex as a sacrament, a ritual, or an expression of divine love. It also provides plenty of practical information helpful to any modern sexual sorcerer. Sexual Sorcery includes preliminaries to practice, such as how to broach the subject of sex magick with a partner (or how to find a partner), explanations of sexual technique as well as etiquette and energy, and the value of love in any relationship, especially a sexual relationship incorporating magick. From this base, Sexual Sorcery delves into the various techniques, types, and rituals of sex magick--using magick to enhance sex, ecstatic and mystical experiences during sex, and more esoteric techniques of sexual invocation, evocation, and alchemy. Newcomb defines a sorcerer as a solitary magician who is outside any particular faith or group, unbounded by the prohibitions of an order or coven, and able to explore the furthest realms of a subject without restriction. In this case the subject is sex magick, and Sexual Sorcery is the perfect guide for any 21st-century sexual sorcerer. It follows no one particular traditional path, but incorporates what works from other esoteric sexual practices.

Conquer Me Kacie Cunningham 2011-03-28 Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.

Broken Toys Raven Kaldera 2015-10-08 In erotic stories, consensual submissives and slaves are usually beautiful, perfect people who can endure any hardship while balancing a tray of drinks in one hand. But what about real life, where many of us in dominant/submissive or master/slave relationships cope with mental illness or neurological disorders? Some would say that

these individuals shouldn't even be doing power exchange, and yet many are - and they are making it work. Broken Toys explores the brave stories of people in service and surrender who are struggling with imperfect brains and nervous systems, and the inventive masters and mistresses who love them, and find ways to use the dynamic to keep everyone going.

Candide Voltaire 2002 A flamboyant and controversial personality of enormous wit and intelligence, Voltaire remains one of the most influential figures of the eighteenth-century Enlightenment. Candide, his masterpiece, is a brilliant satire of the theory that our world is "the best of all possible worlds." The book traces the picaresque adventures of the guileless Candide, who is forced into the army, flogged, shipwrecked, betrayed, robbed, separated from his beloved Cunegonde, tortured by the Inquisition, et cetera, all without losing his resilience and will to live and pursue a happy life. This Modern Library edition, published to celebrate the seventy-fifth anniversary of Random House, is a facsimile of the first book ever released under the Random House colophon. It includes the timeless illustrations by Rockwell Kent, a twentieth-century artist whose wit and genius serve as a counterpart and compliment to Voltaire's.

Second First Impressions Sally Thorne 2021-04-13 'A truly adorable, heart-warming, swoon-worthy love story' Beth O'Leary The latest swoonworthy romcom from the bestselling author of TikTok sensation The Hating Game First impressions aren't always what they seem . . . Ruthie Midona is twenty-four (going on ninety-four) and fully committed to her job at a luxury retirement village. Keeping herself busy caring for the eccentric residents means that Ruthie can safely ignore her own life - what little there is of it. Teddy Prescott is practically allergic to a hard day's work. When he rocks up as the retirement village's newest employee, Ruthie is less than impressed. The last thing she needs is a distraction as irritating (and handsome) as this selfish rich kid. Lucky for Ruthie, her favourite pair of mischievous residents need a new assistant to torture... so she hands over Teddy, ready for them to send him running. Except Teddy may be about to surprise her - not just by surviving the old women's antics, but by charming Ruthie so much, she starts to remember that there's more to life than work. And just maybe, her second first impression will lead to the love of a lifetime . . . PRAISE FOR SALLY THORNE 'Hilarious, heartfelt, smart and sexy . . . everything I want in a romance' Sarah J. Maas 'The warmest, coziest, sweetest book of the year, an absolutely perfect blend of humour and heart' Emily Henry 'Funny, sexy and instantly unputdownable' Paige Toon 'Charming, self-deprecating, quick-witted and funny' New York Times 'Bursting at the seams with love (and hate) and heart' Christina Lauren 'One of the most delectable rom-coms I've ever read' Entertainment Weekly 'Lovely' Bella

The Abc's of BdsM Dama Denoche 2012 Have you ever looked at a crop and wondered what you could do with it that did not involve a horse? How about rope; what do you do with beautiful, soft rope or rope that is rough and tough? When your partner tells you "hurt me," do you get turned on? This book gives you a place to start answering those questions and others. This book is not a be all and end all of how to do things. Instead, it is meant to give you an idea of where you can start and what you need to get started. How to make things a bit safer, as what we do can be--and usually is--dangerous. The danger is what turns many of us on: the ability to tiptoe on that edge of sanity and danger without causing harm is erotic and just fun. This book gives you a place to start so that you know what questions to ask. This will also give you the understanding that you are not alone in your desire for what you need. You are not sick, just different. Your drummer is now our drummer and we march in the same basic direction. Welcome to the kinky universe we have been living in for a while. Explore safely and enjoy.

With chapters on everything from partner-seeking to afterplay, including step-by-step guides to bondage, spanking, flagellation, roleplay, erotic torment and much more, Jay Wiseman's SM 101 has taught the fundamentals of safe, exciting SM to tens of thousands of people of all genders and orientations! "If you want to read SM nonfiction that has a pulse and passion, that inspires as much as it instructs, SM 101 is the book for you." - Joseph Bean, Drummer

A Court of Wings and Ruin Sarah J. Maas 2020-06 Feyre has returned to the Spring Court, determined to gather information on Tamlin's maneuverings and the invading king threatening to bring Prythian to its knees. But to do so she must play a deadly game of deceit-and one slip may spell doom not only for Feyre, but for her world as well

Real Service [Epub] Joshua Tenpenny 2015-07-30 In any consenting and negotiated personal service relationship, there are hundreds of ways in which the servant can make the master's life easier, and the master can manage the servant most effectively. Why is it that we usually only hear about a few of these ways, mostly sexual service, kinky play, and BDSM, or perhaps leather care or formal tea service? From housework to driving to child care to personal care, nearly anyone who is in service (or who would like to be) has dozens of skills they already know that they can offer as a service, and there are countless more practical everyday skills they can learn. Real Service is a handbook for service-oriented submissives and the people they serve, providing techniques to help a service relationship function smoothly, and suggestions for service that can be offered.

Coming Up Roses Staci Hart 2019-07-25 Everyone hates parts of their job. Maybe it's the paperwork. Maybe it's the day-to-

day grind. Maybe it's that client who never knows what they want, or the guy who always cooks fish in the microwave. But not me. I love every corner of the Longbourne Flower Shop, every flower, every petal, every stem. I love the greenhouse, and I love Mrs. Bennet, my boss. I love creating, and I love being a florist. I don't hate anything at all. Except for Luke Bennet. The Bennet brothers have come home to help their mom save the flower shop, and Luke is at the helm. His smile tells a tale of lust, loose and easy. He moves with the grace of a predator, feral and wild. A thing unbridled, without rules or constraint. When he comes home to save Longbourne, I almost can't be mad at him. Almost. He doesn't remember that night I'll never forget. That kiss, touched with whiskey and fire. It branded me like a red-hot iron. But it meant nothing to him. Everyone hates part of their job, and I hate Luke Bennet. Because if I don't, I'll fall in love with him.

Wood and Garden Gertrude Jekyll 2011-12-15 Influential gardener Gertrude Jekyll published her first book, setting out her philosophy of gardening as an art form, in 1899.

Neem National Research Council 1992-02-01 The neem tree, one of the most promising of all plants, may eventually benefit every person on the planet. Probably no other plant yields as many varied products or has as many exploitable by-products. Indeed, as foreseen by some scientists, this tree may usher in a new era in pest control; provide millions with inexpensive medicines; cut the rate of population growth; and perhaps even reduce erosion, deforestation, and the excessive temperature of an overheated globe. On the other hand, although the enthusiasm may be justified, it is largely founded on exploratory investigations and empirical and anecdotal evidence. The purpose of this book is to marshal the various facts about this little-known species, to help illuminate its future promise, and to speed realization of its potential.

The Heart of Dominance Anton Fulmen 2016-07-15 The Heart of Dominance is a how-to guide to the concepts and skills at the heart of consensual dominance. If you are new to dominance, still figuring out just what it's all about or what you want it to mean to you, then this book will provide you with a solid foundation from which to start. If you already practice dominance and are interested in improving your ability to create deep and lasting power dynamics then you'll find many advanced concepts and concrete techniques to integrate into your own personal style. If you have an interest in the bedrock principles of inspiring, deepening, maintaining and enjoying control over a person who dearly, desperately wants you to control them, then this book is for you.

When Someone You Love Is Kinky Dossie Easton 2011-08-02 Many, many people have sexual interests or practices that are in some way unusual. These people may enjoy bondage or spanking, erotic role-playing, dressing in special clothes that turn them on, or a host of other activities that place them outside the sexual mainstream. Your mechanic might have an alternative sexuality, or your librarian, or your kids' teacher, or your boss.... If someone you love has a sexual kink, or if you suspect that she may, and you want to know more about what that means to her and how you can deal with what it means to you, this book is for you. "When Someone You Love Is Kinky will do more for family values than anything the right wing ever dreamed up, because it lets people communicate and love and respect each other on the basis of who they really are. A wonderful contribution towards a more sex-positive culture." - Dr. Carol Queen, author, Real Live Nude Girl "Dossie Easton and Catherine A. Liszt, both wise and compassionate women, and both players in the world of kink, welcome the reader gently into that world and answer everything anyone might have wanted to ask but was really afraid to find out." - Isadora Alman, syndicated sex and relationship columnist

Blindsight Peter Watts 2006-10-03 Blindsight is the Hugo Award-nominated novel by Peter Watts, "a hard science fiction writer through and through and one of the very best alive" (The Globe and Mail). Two months have past since a myriad of alien objects clenched about the Earth, screaming as they burned. The heavens have been silent since until a derelict space probe hears whispers from a distant comet. Something talks out there: but not to us. Who should we send to meet the alien, when the alien doesn't want to meet? Send a linguist with multiple-personality disorder and a biologist so spliced with machinery that he can't feel his own flesh. Send a pacifist warrior and a vampire recalled from the grave by the voodoo of paleogenetics. Send a man with half his mind gone since childhood. Send them to the edge of the solar system, praying you can trust such freaks and monsters with the fate of a world. You fear they may be more alien than the thing they've been sent to find but you'd give anything for that to be true, if you knew what was waiting for them. . . . Zodiac Academy Susanne Valenti 2019-07-13 You have been selected to attend Zodiac Academy, where your star sign defines your destiny. If you're one of the Fae, elemental magic is in your blood. And apparently it's in ours. As twins born in the month of Gemini, we're a rare breed even in this academy of supernatural a-holes. Changelings were outlawed hundreds of years ago but I guess our birth parents didn't get the memo. Which means we're totally unprepared for the ruthless world of Fae. Air. Fire. Water. Earth. No one has ever harnessed all four of them, until we arrived. And it hasn't made us any friends so far. As the rarest Elementals ever known, we're already a threat to the four celestial heirs; the popular, vindictive bullies who

happen to be some of the hottest guys we've ever seen. It doesn't help that they're the most dangerous beasts in the Academy. And probably on earth too. Our fates are intertwined, but they want us gone. They've only got until the lunar eclipse to force us out and they'll stop at nothing to succeed. We never knew we had a birthright to live up to but now that we do, we intend to claim our throne. We can't expect any help from the faculty when it comes to defending ourselves. So if the dragon shifters want some target practice, the werewolves want someone to hunt or the vampires fancy a snack then we have to be ready. But we've been looking after each other for a long time and fighting back is in our blood. Today's horoscope: totally screwed. This is a full-length medium burn novel that is the first in a university-age academy series. Expect forbidden teacher romance and bully romance with mature content suitable for upper YA readers and onwards.

Under the Rose F. McGlohlen 2017-11-11 The intended audience of this book are those who are called to work in oppressive regions of the world; particularly, journalists, missionaries, and liberators who find themselves in an asymmetric fight. The content inside does not derive from any one nation or organization's methods, but a culmination of many. It pulls from governmental, criminal, and militant techniques without regard to nationality. Topics of study include: creating covers, counter-surveillance, establishing caches, planning and executing urban, rural, and vehicular meetings, planning ratlines, and appropriate use of technology to augment clandestine communications.
