The Allyn & Bacon Teaching Assistant's Handbook Stephen Wilhoit 2003 The Allyn & Bacon Teaching Assistant's Handbook: A Guide for Graduate Instructors of Writing and Literature is designed to help new and experienced graduate teaching assistants become more effective teachers, scholars, and members of the profession. The Allyn & Bacon Teaching Assistant's Handbook recognizes the unique needs of graduate teaching assistants working in English departments and writing programs. As both graduate students and teachers, many TAs lead a divided life: learning how to balance the demands they face and fill the various roles they play can be difficult if not overwhelming. First-time TAs face the particularly difficult task of learning how to teach while at the same time learning how to succeed as graduate students. Experienced TAs often face the problem of learning how to identify and assume their roles in the profession. The Allyn & Bacon Teaching Assistant's Handbook is written with both new and experienced TAs in mind. It addresses the concerns new TAs face and offers advice and guidance on the basics of teaching for the first time, while other advice including the material on professional development, gaining administrative experience and preparing for the job market will help more experienced TAs. The Handbook

offers practical, time-tested advice that TAs can apply directly to their own classes and lives.

A Teaching Assistant's Guide to Managing Behaviour in the Classroom Susan Bentham 2006 Using a range of case studies and discussed from a teaching assistant perspective, this guide looks at common behaviour problems in the classroom, explaining typical causes of misbehaviour and what can be done to tackle and tame disruptive pupils.

The Teaching Assistant's Guide to ADHD Kate Spohrer 2007-11-20 Demystifies the condition of ADHD and provides many practical and effective strategies for Teaching Assistants.

Maximising the Impact of Teaching Assistants Rob Webster 2015-10-05 Teaching assistants are an integral part of classroom life, yet pioneering research by the authors has shown schools are not making the most of this valued resource. Evidence shows the more support pupils receive from TAs, the less academic progress they made. Yet the reason for this has little to do with TAs. It is decisions made about them by school leaders and teachers that best explain this provocative finding. The fully updated second edition of this book draws on the experiences of schools that have put this guidance into action via the Maximising the Impact of Teaching Assistants programme. Revised to reflect the latest research evidence and changes within education, including the 2014 SEND Code of Practice, this book will help school leaders and teachers in primary and secondary settings to rethink the role, purpose and contribution of TAs, and add real value to what can be achieved in classrooms. Setting out a field-tested process, structured around a coherent and empirically sound conceptual framework, this book: helps school leaders review, reform and reenergise their TA workforce provides practical strategies to implement in the classroom illustrates key points with new case studies provides photocopiable templates and resources to support decision-making and action. Maximising the Impact of Teaching Assistants provides much-needed and evidence-informed guidance on how to unleash the huge potential of TAs, and is essential reading for all school leaders.

The Teaching Assistant's Guide to Literacy Susan Elkin 2007-05-10 This practical guide gives teaching assistants useful advice for literacy in the classroom, advice on developing reading, writing and listening skills and strategies to help build students' confidence.

Children's Learning in Primary Schools Mike Cowdray 2012 What does learning look like? What are different subjects really about? Why are transferable skills so important? How can we overcome the difficulties that children encounter in their learning? And what questions and prompts are likely to prove useful in helping children to get the most out of their lessons? The over-arching role of Teaching Assistants is to support teaching and learning in schools. To do this effectively, they need to understand the curriculum content of all the subjects in which they provide support and know what learning outcomes are sought. This accessible book provides an overview of the knowledge, skills, understanding and attitudes that children learn in each subject in their primary years. Written with the non-subject specialist in mind, and drawing on research and best practice in the classroom, this extremely practical book aims to provide the reader with the information they need to: deliver focused lessons to individual pupils, groups, or the whole class; concentrate on the most important elements when making classroom resources; make valuable assessments of the children's learning, and keep useful records of their achievements, progress and difficulties; take a full part in discussions with colleagues - selecting objectives, devising interesting activities and delivering exciting lessons in each of the subjects. Including a wide range of examples and activities, this book will prove an invaluable companion for all students working on STLS and Foundation Degree courses, and Teaching Assistants currently working in primary schools.

The Teaching Assistant's Guide to Effective Interaction Paula Bosanquet 2015-08-20 The Teaching Assistant's Guide to Effective Interaction is the definitive guide to teaching assistant-pupil interaction and an invaluable professional development tool for classroom support staff and the teachers who work with them.
