Dark State Charles Stross 2018-01-11 Dark State is the second book in a thrilling series - set in the same world as Charles Stross' Merchant Princes series. This book follows Empire Games. The time for peace is ending . . . In the near future, one America is experiencing its first technological revolution - whilst in a parallel world, the United States is a hi-tech police state. But both timelines are poised for conflict. Miriam Burgeson's America is heading for civil war. However, a high profile defection might avert this crisis, if only Miriam and her agents can arrange it in time. And Rita Douglas, rival US spy, arrives during this turmoil. Rita's world is rocked when she realizes Miriam is her birth mother, changing her own mission irrevocably. Then her United States discovers yet another parallel earth, and the remains of an advanced society. Something destroyed that civilization, Rita's people are about to rouse it - and two worlds will face the consequences.

The Traders' War: The Merchant Princes Books 3 and 4 Charles Stross 2013-05-01 Includes Book 3 - The Merchants War and Book 4 - The Clan Corporate For one ex-journalist, the nightmare has just begun. Miriam Beckstein has said goodbye to her comfort zone, and the transition from journalist to captive in an alternative timeline was challenging to say the least. As was discovering her long-lost family, the Clan, were world-skipping assassins. Now civil war rages in her adopted home, she's pregnant with the heir to their throne and a splinter-group want her on their side of a desperate power struggle. But as a leader or figurehead? Meanwhile, unknown to the Clan, the US government is on to them and preparing to exploit this knowledge. But it hadn't foreseen a dissident Clan faction carrying nuclear devices between worlds - with the US President in their sights. The War on Terror is about to go transdimensional. But Mike Fleming, CIA agent, knows the most terrifying secret of all. His government's true intentions.

Black Hawk Down Mark Bowden 2010-04-01 Already a classic of war reporting and now reissued as a Grove Press paperback, Black Hawk Down is Mark Bowden's brilliant account of the longest sustained firefight involving American troops since the Vietnam War. On October 3, 1993, about a hundred elite U.S. soldiers were dropped by helicopter into the teeming market in the heart of Mogadishu, Somalia. Their mission was to abduct two top lieutenants of a Somali warlord and return to base. It was supposed to take an hour. Instead, they found themselves pinned down through a long and terrible night fighting against thousands of heavily armed Somalis. The following morning, eighteen Americans were dead and more than seventy had been badly wounded. Drawing on interviews from both sides, army records, audiotapes, and videos (some of the material is still classified), Bowden's minute-by-minute narrative is one of the most exciting accounts of modern combat ever written—a riveting story that captures the heroism, courage, and brutality of battle.

The Merchants' War Charles Stross 2010-11-19 Miriam Beckstein is a young, hip, business journalist in Boston. She discovered in The Family Trade and The Hidden Family that her family came from an alternate reality, that she was very well-connected, and that her family was too much like the mafia for comfort. She found herself caught in a family trap in The Clan Corporate and betrothed to a brain-damaged prince, and then all hell broke loose. Now, in The Merchants' War, Miriam has escaped to yet another world and remains in hiding from both the Clan and their opponents. There is a nasty shooting war going on in the Gruinmarkt world of the Clan, and we know something that Miriam does not; something that she's really going to hate--if she lives long enough to find out. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Things Fall Apart Chinua Achebe 2013-04-25 Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

The Economy of Western Xia Jinbo Shi 2021 "This is the first introduction to the economic history of the Tangut Empire (1038-1227). Built on a wealth of economic data and evidence, it studies the economic lives and activities, laws and institutions, trade and transactions in the "Great State White and High". It interprets primary sources written in the mysterious Tangut cursive script: taxes, registers, and contracts, alongside archives, chronicles, and law codes. By weaving Song, Liao, and Jin materials with Khara-Khoto, Wuwei, and Dunhuang manuscripts into a historical narrative, the book offers a gateway to the outer shape and inner life of the Western Xia (Xixia) economy and society, and rethinks the Tanguts' influence on the Hexi Corridor and the Silk Road"--

Somalia - The Untold Story Judith Gardner 2004 Explores the experiences of women in Somalia and how they have survived the trauma of war.

The Family Trade Charles Stross 2005-05 Believing she has found a career-making story when she stumbles upon a money-laundering scheme, reporter Miriam Beckstein is shocked when she is fired and threatened with death, a situation that turns increasingly bizarre when she learns the fate of her murdered mother and is transported to a parallel earth where her family rules a powerful kingdom. Reprint.

The Revolution Trade Charles Stross 2014-01-07 The Revolution Trade: an omnibus edition of the fifth and sixth novels--The Revolution Business and Trade of Queens--in Charles Stross's Merchant Princes series. Miriam Beckstein has said good-bye to her comfort zone. The transition from journalist to captive in an alternative timeline was challenging to say the least, she discovered that her long-lost family, the Clan, were world-skipping assassins. Now, while civil war rages in her adopted home, she's pregnant with the heir to their throne and a splinter group want her on their side of a desperate power struggle. But as a leader or figurehead? Meanwhile, unknown to the Clan, the US government is on to them and preparing to exploit this knowledge. But it hadn't foreseen a dissident Clan faction carrying nuclear devices between worlds--with the US president in their sights. The War on Terror is about to go transdimensional. But Mike Fleming, CIA agent, knows the most terrifying secret of all: His government's true intentions. "These books are immense fun."--Locus At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Revolution Trade Charles Stross 2013-06-06 The Revolution Trade by Charles Stross includes The Revolution Business and The Trade of Queens - the final two instalments of the spellbinding The Merchant Princes series combined in one volume. For one ex-journalist, the nightmare has just begun . . . Miriam Beckstein has said goodbye to her comfort zone. The transition from journalist to captive in an alternative timeline was challenging to say the least. As was discovering her long-lost family, the Clan, were world-skipping assassins. Now civil war rages in her adopted home, she's pregnant with the heir to their throne and a splinter-group want her on their side of a desperate power struggle. But as a leader or figurehead? Meanwhile, unknown to the Clan, the US government is on to them and preparing to exploit this knowledge. War on Terror is about to go transdimensional. But Mike Fleming, CIA agent, knows the most terrifying secret of all. His government's true intentions. Preceding *The Revolution Trade* are two previous omnibus volumes, *The Bloodline Feud* and *The Traders' War*.

The Art of South and Southeast Asia Steven Kossak 2001 Presents works of art selected from the South and Southeast Asian and Islamic collection of The Metropolitan Museum of Art, lessons plans, and classroom activities.

Ethnicity and Empire in Kenya Myles Osborne 2014-08-29 This book is about the creation and development of ethnic identity among the Kamba. Comprising approximately one-eighth of Kenya's population, the British considered the Kamba East Africa's premier 'martial race' by the mid-twentieth century: a people with an apparent aptitude for soldiering. The reputation, indeed, was one that Kamba leaders used to leverage financial rewards from the colonial state. However, beneath this simplistic exterior was a maelstrom of argument and debate. Men and women, young and old, Christians and non-Christians, and the elite and poor fought over the virtues they considered worthy of honor in their communities, and which of their visions should constitute 'Kamba' identity. Based on extensive archival research and more than 150 interviews, *Ethnicity and Empire* is one of the first books to analyze the complex process of building and shaping 'tribe' over more than two centuries. It reveals new ways to think about themes crucial to the history of colonialism: soldiering, 'loyalty', martial race, and indeed the nature of empire itself.

The Trading Voyages of Andrew Cheyne 1841-1844 Andrew Cheyne 1971

Ship of Destiny Robin Hobb 2003-12-30 "A truly extraordinary saga . . . The characterizations are consistently superb, and [Hobb] animates everything with love for and knowledge of the sea."—Booklist As Bingtown slides toward disaster, clan matriarch Ronica Vestrit, branded a traitor, searches for a way to bring the city's inhabitants together against a momentous threat. Meanwhile, Althea Vestrit, unaware of what has befallen Bingtown and her family, continues her perilous quest to track down and recover her liveship, the *Vivacia*, from the ruthless pirate Kennit. Bold though it is, Althea's scheme may be in vain. For her beloved *Vivacia* will face the most terrible confrontation of all as the secret of the liveships is revealed. It is a truth so shattering, it may destroy the *Vivacia* and all who love her, including Althea's nephew, whose life already hangs in the balance. Praise for Robin Hobb and the *Liveship Traders Trilogy* "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "A major work of high fantasy, reading like a cross between Tolkien and Patrick O'Brian . . . one of the finest fantasy sagas to bridge the millennium."—Publishers Weekly "Rich, complex . . . [Hobb's] plotting is complex but tightly controlled, and her descriptive powers match her excellent visual imagination. But her chief virtue is that she delineates character extremely well."—Interzone

The Bloodline Feud Charles Stross 2014-01-07 *The Bloodline Feud*: an omnibus edition of the first two novels in Charles Stross's *The Merchant Princes* series The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes. They are a mixture of nobility and criminal conspirators whose power to walk between their world and ours makes them rich in both. Miriam, a hip tech journalist from Boston, discovers her alternate-world relatives with explosive results that shake three worlds. Now, as the prodigal Countess Helge Thorold-Hjorth, she finds herself ensnared in schemes and plots centuries in the making. She is surrounded by unlikely allies, lethal contraband, and—most dangerous of all—her family. To avoid a slippery slope down to an unmarked grave, Miriam must build a power base of her own—with unexpected consequences for three different time lines, including the quasi-Victorian one exploited by the hidden family. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Post Civil War Somali Business Class Roland Marchal 1996

Conflict and Commerce in Maritime East Asia

Somalia Peter D. Little 2003 In the wake of the collapse of the Somali government in 1991, a "second" or "informal" economy based on trans-border trade and smuggling is thriving. While focusing primarily on pastoral and agricultural markets, Peter D. Little demonstrates that the Somalis are resilient and opportunistic and that they use their limited resources effectively. While it is true that many Somalis live in the shadow of brutal warlords and lack access to basic health care and education, Little focuses on those who have managed to carve out a productive means of making ends meet under difficult conditions and emphasizes the role of civic culture even when government no longer exists. Exploring questions such as, Does statelessness necessarily mean anarchy and disorder? Do money, international trade, and investment survive without a state? Do pastoralists care about development and social improvement? This book describes the complexity of the Somali situation in the light of international terrorism.

The Hidden Family Charles Stross 2006-05-02 *The Merchant Princes* is a sweeping new series from the hottest new writer in science fiction! The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes, a mixture of nobility and criminal conspirators whose power to walk between their world and ours make them rich in both. Braids of family loyalty and intermarriage provide a fragile guarantee of peace, but a recently ended civil war has left the families shaken and suspicious. Miriam, a hip tech journalist from Boston, discovered her alternate-world relatives with explosive results that shook three worlds. Now, as the prodigal Countess Helge Thorold-Hjorth, she finds herself ensnared in schemes and plots centuries in the making. She is surrounded by unlikely allies, lethal contraband, and, most dangerous of all, her family. With her modern American attitudes, she's not sure she can fit in, or if she even wants to, but to stay alive, she really has no choice. To avoid a slippery slope down to an unmarked grave, Miriam must build a power-base of her own. She started applying modern business practices and scientific knowledge to a trade heretofore dominated by medieval mercantilists—with unexpected consequences for three different timelines, including the quasi-Victorian one exploited by the hidden family. Blending the creativity and humor, and the rigor and scope of science-fiction on the grandest scale, Charles Stross has set a new standard for fantasy epics. Charles Stross is one of the big new SF writers of the 21st century, and the saga of *The Merchant Princes* is his most ambitious work yet. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Daja's Book (Circle of Magic #3) Tamora Pierce 2011-09-01 The third book in the *Circle of Magic* series by Tamora Pierce.

The Trade of Queens Charles Stross 2010-04-01 A dissident faction of the Clan, the alternate universe group of families that has traded covertly with our world for a century or more, have carried nuclear devices between the worlds and exploded them in Washington, DC, killing the President of the United States. Now they will exterminate the rest of the Clan and keep Miriam alive only long enough to bear her child, the heir to the throne of their land in the Gruinmarkt world. The worst and deepest secret is now revealed: behind the horrifying plot is a faction of the US government itself, preparing for a political takeover in the aftermath of disaster. There is no safe place for Miriam and her Clan except, perhaps, in the third alternate world, New Britain—which has just had a revolution and a nuclear incident of its own. Charles Stross's *Merchant Princes* series reaches a spectacular climax in this sixth volume. Praised by Nobel laureate Paul Krugman as "great fun," this is state of the art, cutting edge SF grown out of a fantastic premise. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Clan Corporate Charles Stross 2007-04-01 The third book (after *The Family Trade* and *The Hidden Family*) in the saga of the *Merchant Princes* by Charles Stross, in which Miriam gets into deadly trouble. Miriam Beckstein has gotten in touch with her roots and they have nearly strangled her. A young, hip, business journalist in Boston, she discovered (in *The Family Trade*) that her family comes from an alternate reality, that she is very well-connected, and that her family is a lot too much like the mafia for comfort. In addition, starting with the fact that women are family property and required to breed more family members with the unique talent to walk between worlds, she has tried to remain an outsider and her own woman. And start a profitable business in a third world she has discovered, outside the family reach (recounted in *The Hidden Family*). She fell in love with a distant relative but he's dead, killed saving her life. There have been murders, betrayals. Now, however, in *The Clan Corporate*, she may be overreaching. And if she gets caught, death or a fate worse is around the bend. There is for instance the brain-damaged son of the local king who needs a wife. But they'd never make her do that, would they? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Country Merchant, 1495-1520 Christopher Dyer 2012-05-17 Around 1500 England's society and economy had reached a turning point. After a long period of slow change and even stagnation, an age of innovation and initiative was in motion, with enclosure, voyages of discovery, and new technologies. It was an age of fierce controversy, in which the government was fearful of beggars and wary of rebellions. The

'commonwealth' writers such as Thomas More were sharply critical of the greed of profit hungry landlords who dispossessed the poor. This book is about a wool merchant and large scale farmer who epitomises in many ways the spirit of the period. John Heritage kept an account book, from which we can reconstruct a whole society in the vicinity of Moreton-in-Marsh, Gloucestershire. He took part in the removal of a village which stood in the way of agricultural 'improvement', ran a large scale sheep farm, and as a 'woolman' spent much time travelling around the countryside meeting with gentry, farmers, and peasants in order to buy their wool. He sold the fleeces he produced and those he gathered to London merchants who exported through Calais to the textile towns of Flanders. The wool growers named in the book can be studied in their native villages, and their lives can be reconstructed in the round, interacting in their communities, adapting their farming to new circumstances, and arranging the building of their local churches. A Country Merchant has some of the characteristics of a biography, is part family history, and part local history, with some landscape history. Dyer explores themes in economic and social history without neglecting the religious and cultural background. His central concerns are to demonstrate the importance of commerce in the period, and to show the contribution of peasants to a changing economy.

Muslim, Trader, Nomad, Spy Sulmaan Wasif Khan 2015-03 In 1959, the Dalai Lama fled Lhasa, leaving the People's Republic of China with a crisis on its Tibetan frontier. Sulmaan Wasif Khan tells the story of the PRC's response to that crisis and, in doing so, brings to life an extraordinary cast of characters: Chinese diplomats appalled by sky burials, Guomindang spies working with Tibetans in Nepal, traders carrying salt across the Himalayas, and Tibetan Muslims rioting in Lhasa. What Chinese policymakers confronted in Tibet, Khan argues, was not a "third world" but a "fourth world" problem: Beijing was dealing with peoples whose ways were defined by statelessness. As it sought to tighten control over the restive borderlands, Mao's China moved from a lighter hand to a harder, heavier imperial structure. That change triggered long-lasting shifts in Chinese foreign policy. Moving from capital cities to far-flung mountain villages, from top diplomats to nomads crossing disputed boundaries in search of pasture, this book shows Cold War China as it has never been seen before and reveals the deep influence of the Tibetan crisis on the political fabric of present-day China.

Economic Success of Chinese Merchants in Southeast Asia Janet Tai Landa 2016-11-30 This book provides an original analysis of the economic success of Overseas Chinese merchants in Southeast Asia: The ethnically homogeneous group of Chinese middlemen is an informal, low-cost organization for the provision of club goods, e.g. contract enforcement, that are essential to merchants' success. The author's theory - and various extensions, with emphasis on kinship and other trust relationships - draws on economics and the other social sciences, and beyond to evolutionary biology. Empirical material from her fieldwork forms the basis for developing her unique, integrative and transdisciplinary theoretical framework, with important policy implications for understanding ethnic conflict in multiethnic societies where minority groups dominate merchant roles.

The Revolution Trade: The Merchant Princes Books 5 and 6 Charles Stross 2013-06-01 1 x 9781447229001, *The Revolution Business*, Paperback 1 x 9781447237631, *The Trade of Queens*, Paperback For one ex-journalist, the nightmare has just begun Miriam Beckstein has said goodbye to her comfort zone. The transition from journalist to captive in an alternative timeline was challenging to say the least. As was discovering her long-lost family, the Clan, were world-skipping assassins. Now civil war rages in her adopted home, she's pregnant with the heir to their throne and a splinter-group want her on their side of a desperate power struggle. But as a leader or figurehead? Meanwhile, unknown to the Clan, the US government is on to them and preparing to exploit this knowledge. But it hadn't foreseen a dissident Clan faction carrying nuclear devices between worlds - with the US President in their sights. *The War on Terror* is about to go transdimensional. But Mike Fleming, CIA agent, knows the most terrifying secret of all. His government's true intentions.

The Traders' War Charles Stross 2017-06-29 *The Traders' War* by Charles Stross includes *The Clan Corporate* and *The Merchants' War*, the third and fourth instalments in the spellbinding *The Merchant Princes* series combined into one volume. The journalistic instinct runs deep - and comes with a fatality warning. Miriam was an ambitious business journalist in Boston. Until she was fired - then discovered, to her shock, that her lost family comes from an alternate reality. And although some of them are trying to kill her, she won't stop digging up secrets. Now that she knows she's inherited the family ability to walk between worlds, there's a new culture to explore. Her alternate home seems located around the Middle Ages, making her world-hopping relatives top dogs when it comes to 'importing' guns and other gadgets from modern-day America. Payment flows from their services to US drug rings - after all, world-skipping drug runners make great traffickers. In a land where women are property, she struggles to remain independent. Yet her outsider ways won't be tolerated, and a highly political arranged marriage is being brokered behind her back. If she can stay alive for long enough to protest. *The Traders' War* is preceded by *The Bloodline Feud* omnibus, and followed with the final volume, *The Revolution Trade*.

Invisible Sun Charles Stross 2021-09-30 In this chillingly resonant dystopian adventure, two versions of America are locked in conflict. *Invisible Sun* concludes Charles Stross's *Empire Games* trilogy. Two twinned worlds are facing attack. *The New American Commonwealth* is caught in a deadly arms race with the USA, its parallel-world rival. And the USA's technology is decades ahead. Yet the Commonwealth might self-combust first - for its leader has just died, leaving a crippling power vacuum. Minister Miriam Burgeson must face allegations of treason without his support, in a power grab by her oldest adversary. However, all factions soon confront a far greater danger. . . In their drive to explore other timelines, high-tech USA awakened an alien threat. This force destroyed humanity on one version of Earth. And if the two superpowers don't take action, it will do the same to them. *Invisible Sun* follows *Empire Games* and *Dark State*. This trilogy is set in the same dangerous parallel world as Charles Stross's *Merchant Princes* sequence.

Global Business Regulation John Braithwaite 2000-02-13 Across an amazing sweep of the critical areas of business regulation - from contract, intellectual property and corporations law, to trade, telecommunications, labour standards, drugs, food, transport and environment - this book confronts the question of how the regulation of business has shifted from national to global institutions. Based on interviews with 500 international leaders in business and government, this book examines the role played by global institutions such as the WTO, the OECD, IMF, Moody's and the World Bank, as well as various NGOs and significant individuals. The authors argue that effective and decent global regulation depends on the determination of individuals to engage with powerful agendas and decision-making bodies that would otherwise be dominated by concentrated economic interests. This book will become a standard reference for readers in business, law, politics and international relations.

History of International Relations Erik Ringmar 2019-08-02 Existing textbooks on international relations treat history in a cursory fashion and perpetuate a Euro-centric perspective. This textbook pioneers a new approach by historicizing the material traditionally taught in International Relations courses, and by explicitly focusing on non-European cases, debates and issues. The volume is divided into three parts. The first part focuses on the international systems that traditionally existed in Europe, East Asia, pre-Columbian Central and South America, Africa and Polynesia. The second part discusses the ways in which these international systems were brought into contact with each other through the agency of Mongols in Central Asia, Arabs in the Mediterranean and the Indian Ocean, Indic and Sinitic societies in South East Asia, and the Europeans through their travels and colonial expansion. The concluding section concerns contemporary issues: the processes of decolonization, neo-colonialism and globalization - and their consequences on contemporary society. *History of International Relations* provides a unique textbook for undergraduate and graduate students of international relations, and anybody interested in international relations theory, history, and contemporary politics.

The Merchant Houses of Mocha Nancy Um 2011-12-01 Gaining prominence as a seaport under the Ottomans in the mid-1500s, the city of Mocha on the Red Sea coast of Yemen pulsed with maritime commerce. Its very name became synonymous with Yemen's most important revenue-producing crop -- coffee. After the imams of the Qasimi dynasty ousted the Ottomans in 1635, Mocha's trade turned eastward toward the Indian Ocean and coastal India. Merchants and shipowners from Asian, African, and European shores flocked to the city to trade in Arabian coffee and aromatics, Indian textiles, Asian spices, and silver from the New World. Nancy Um tells how and why Mocha's urban shape and architecture took the forms they did. Mocha was a hub in a great trade network encompassing overseas cities, agricultural hinterlands, and inland market centers. All these connected places, together with the functional demands of commerce in the city, the social stratification of its residents, and the imam's desire for wealth, contributed to Mocha's architectural and urban form. Eventually, in the mid-1800s, the Ottomans

regained control over Yemen and abandoned Mocha as their coastal base. Its trade and its population diminished and its magnificent buildings began to crumble, until few traces are left of them today. This book helps bring Mocha to life once again.

Empire Games Charles Stross 2017-01-26 A time of ambition, treachery and dangerous secrets . . . Rita Douglas is plucked from her dead-end job and trained as a reluctant US spy. All because she has the latent genetic talent to hop between alternate timelines - and infiltrate them. Her United States is waging a high-tech war, targeting assassins who can move between worlds to deliver death on a mass scale, and Rita will be their secret weapon. Miriam Beckstein has her own mission, as a politician in an industrial revolution North America. She must accelerate her world's technology before their paranoid American twin finds them. It would blow them to hell. After all, they've done it before. Each timeline also battles internal conspiracies, as a cold war threatens to turn white hot. But which world is the aggressor - and will Rita have to choose a side? *Empire Games* is the first book in the exciting series set in the same world as Charles Stross' *The Merchant Princes* series. 'Mind-boggling, complex and truly brilliant' *Daily Mail*

Tan Kim Seng Vivienne Tan 2019 It is remarkable that no biography of Tan Kim Seng has been published until now considering that his imprint on 19th century Singapore is so significant. Most Singaporeans will associate him with the Tan Kim Seng Fountain, Kim Seng Road and Kim Seng Bridge. Others may be aware of how the fountain came to be and that Tan Kim Seng in 1849 founded Chong Wen Ge, the first Chinese school in Singapore. Or that he was pivotal in quelling the Great Riot of 1854 when Hokkien and Teochew secret societies clashed. And that he gave a ball that was so famous that it was reported in England in a journal published by Charles Dickens. Some may not even know these facts. In the year when Singapore commemorates its bicentennial, it is timely that the life story of one of our most entrepreneurial pioneers is made known in a lavish book illustrated with rare images from the Tan family collection. Tan Kim Seng was not the typical refugee from South China. His family had already been in the Nanyang for three generations when he arrived in Singapore in the 1820s. With business acumen and gaining trust with British merchants, he built an empire with warehouses, mansions and the largest single piece of property which stretched from the coast of Pasir Panjang to Ulu Pandan to Tanglin. The details of his will, designed to repel "the curse of the third generation", is founded on his values and beliefs. But what he did not anticipate was how his well-thought-out plans would be unravelled primarily by English Law.

Trader's Leap Sharon Lee 2020-12-01 **NEW ENTRY IN THE LANDMARK LIADEN UNIVERSE® SERIES** The only bridge between past and future is a leap of faith. Pursued by enemies, exiled Liaden clan Korval is settling into a new base on backworld Surebleak. Moving is expensive, as is war, and Korval is strapped for cash. Delm Korval has therefore instructed Master Trader Shan yos'Galan to design and implement new trade routes, quickly. But this is no easy task. Dutiful Passage is targeted by Korval's enemies, denied docking at respectable ports, and cheated at those less respectable. Struggling to recuperate from an attack on his life, while managing daughter Padi's emerging psychic talents, Shan is running out of options—and time. His quest to establish the all-important trade route puts him at odds with his lifemate, while doubting crew desert the ship. Facing the prospect of failure, Shan accepts the assistance of chancy allies and turns the Passage toward a port only just emerging from Rostov's Dust and awash with strange energies. Without trade, Clan Korval will starve. Will a trader's leap of faith save everything—or doom all? *About Dragon in Exile*: "[S]prawling and satisfying. . . . Space opera mixes with social engineering, influenced by Regency-era manners and delicate notions of honor. . . . [I]t's like spending time with old friends. . . ."—Publishers Weekly *About Necessity's Child*: "Compelling and wondrous, as sharp and graceful as Damascus steel, *Necessity's Child* is a terrific addition to Lee & Miller's addictive series."—Patricia Briggs *About the Liaden Universe® series*: "I have every Liaden Universe novel ever written on my bookshelf. You should, too."—David Weber "Every now and then you come across an author, or in this case, a pair, who write exactly what you want to read, the characters and personalities that make you enjoy meeting them. . . . I rarely rave on and on about stories, but I am devoted to Lee and Miller novels and stories."—Anne McCaffrey "These authors consistently deliver stories with a rich, textured setting, intricate plotting, and vivid, interesting characters from fully-realized cultures, both human and alien, and each book gets better."—Elizabeth Moon "[D]elightful stories of adventure and romance set in a far future. . . . space opera milieu. It's all a rather heady mix of Gordon R. Dickson, the Forsythe Saga, and Victoria Holt, with Lee and Miller's own unique touches making it all sparkle and sizzle. Anyone whose taste runs toward SF in the true romantic tradition can't help but like the Liaden Universe."—Analog "[T]he many fans of the Liaden universe will welcome the latest . . . continuing young pilot Theo Waitley's adventures."—Booklist on *Saltation* "[A]fictionados of intelligent space opera will be thoroughly entertained. . . . [T]he authors' craftsmanship is top-notch."—Publishers Weekly on Lee and Miller's popular *Liaden Universe®* thriller, *I Dare* *Maine-based writers Sharon Lee and Steve Miller teamed up in the late 1980s to bring the world the story of Kinzel, an inept wizard with a love of cats, a thirst for justice, and a staff of true power. Since then, the husband and wife have written dozens of short stories and twenty plus novels, most set in their star-spanning Liaden Universe®. Before settling down to the serene and stable life of a science fiction and fantasy writer, Steve was a traveling poet, rock-band reviewer, reporter, and editor of a string of community newspapers. Sharon, less adventurous, has been an advertising copywriter, copy editor on night-side news at a small city newspaper, reporter, photographer, and book reviewer. Both credit their newspaper experiences with teaching them the finer points of collaboration. Sharon and Steve passionately believe that reading fiction ought to be fun, and that stories are entertainment. They maintain a web presence at korval.com.*

The Last Kings of Shanghai Jonathan Kaufman 2020-06-02 "In vivid detail... examines the little-known history of two extraordinary dynasties."—*The Boston Globe* "Not just a brilliant, well-researched, and highly readable book about China's past, it also reveals the contingencies and ironic twists of fate in China's modern history."—*LA Review of Books* An epic, multigenerational story of two rival dynasties who flourished in Shanghai and Hong Kong as twentieth-century China surged into the modern era, from the Pulitzer Prize-winning journalist *Shanghai, 1936*. The *Cathay Hotel*, located on the city's famous waterfront, is one of the most glamorous in the world. Built by Victor Sassoon—billionaire playboy and scion of the Sassoon dynasty—the hotel hosts a who's who of global celebrities: Noel Coward has written a draft of *Private Lives* in his suite and Charlie Chaplin has entertained his wife-to-be. And a few miles away, Mao and the nascent Communist Party have been plotting revolution. By the 1930s, the Sassoons had been doing business in China for a century, rivaled in wealth and influence by only one other dynasty—the Kadoories. These two Jewish families, both originally from Baghdad, stood astride Chinese business and politics for more than 175 years, profiting from the Opium Wars; surviving Japanese occupation; courting Chiang Kai-shek; and losing nearly everything as the Communists swept into power. In *The Last Kings of Shanghai*, Jonathan Kaufman tells the remarkable history of how these families participated in an economic boom that opened China to the world, but remained blind to the country's deep inequality and to the political turmoil at their doorsteps. In a story stretching from Baghdad to Hong Kong to Shanghai to London, Kaufman enters the lives and minds of these ambitious men and women to forge a tale of opium smuggling, family rivalry, political intrigue, and survival. The book lays bare the moral compromises of the Kadoories and the Sassoons—and their exceptional foresight, success, and generosity. At the height of World War II, they joined together to rescue and protect eighteen thousand Jewish refugees fleeing Nazism. Though their stay in China started out as a business opportunity, the country became a home they were reluctant to leave, even on the eve of revolution. The lavish buildings they built and the booming businesses they nurtured continue to define Shanghai and Hong Kong to this day. As the United States confronts China's rise, and China grapples with the pressures of breakneck modernization and global power, the long-hidden odysseys of the Sassoons and the Kadoories hold a key to understanding the present moment.

The Roman Clan C. J. Smith 2006-03-09 **Publisher description**

The Traders' War Charles Stross 2014-01-07 *The Traders' War* -- an omnibus edition of the third and fourth novels in Charles Stross's *Merchant Princes* series. Miriam was an ambitious business journalist in Boston. Until she was fired—then discovered, to her shock, that her lost family comes from an alternate reality. And although some of them are trying to kill her, she won't stop digging up secrets. Now that she knows she's inherited the family ability to walk between worlds, there's a new culture to explore. Her alternate home seems located around the Middle Ages, making her world-hopping relatives top dogs when it comes to "importing" guns and other gadgets from modern-day America. Payment flows from their services to U.S. drug rings—after all, world-skipping drug runners make great traffickers. In a land where women are property, she struggles to remain independent. Yet her outsider ways won't be tolerated, and a highly political arranged marriage is being brokered behind her back. If she can stay alive for long enough to protest. "These books are immense fun."—*Locus* At the Publisher's request, this title is

The Organization of Ancient Economies Kenneth Hirth 2020-09-17 This is the first book written that examines ancient and premodern economies from a comparative and cross-cultural perspective.

The Last Stand David Harris 1997 Describes the battle over the last privately-owned redwood forest in America

The Revolution Business Charles Stross 2010-03-22 Things are going badly for the Clan in this SF novel of the Merchant Princes, the immensely popular series by Charles Stross. Locked in a vicious civil war for control over the kingdom of Niejwein, their army is bottled up inside a fortress under siege in two parallel universes at once. Duke Angbard, the Clan's leader, has been laid low by a stroke: plotters are already conspiring in readiness for the deadly dance to come. Miriam, rescued from a tight spot in New Britain, finds the hopes of the young, progressive faction focused on her. But do they want her as a leader or a figurehead? She soon finds herself thrown into a desperate struggle for power. Meanwhile, unbeknownst to the Clan, researchers working for the US government have achieved a technological breakthrough. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
